INSTRUCTIONS TO PATIENTS

You have been referred for specialized care to our practice.

We work in collaboration with your dentist and in order to facilitate this process, please provide the following information before or at the time of your consultation.

-Your referral slip and any images (xrays,digital images,scans) if applicable

-A list of medications you are presently taking

-If you have dental insurance bring your insurance card if available

IMPORTANT: All patients under 18 years of age must be accompanied by a parent or legal guardian at the consultation visit

-Please alert the office if you have a medical condition that may be of concern (i.e.artificial heart valves, bones, or joints, a heart murmur, or if you have a history of taking prescription diet pills)

-Our office is committed to address any concerns you may have about your appointment. Please ask us so we may help you.
